FRIENDS, FUN, & FRENCH CULTURE

École des Roches has welcomed students from around the world since 1899. Families choose us for our unique blend of authentic French culture, academic excellence, and the safe, nurturing environment that has made us a trusted name in international education.

Summer programmes run for 2, 4, or 6 weeks.

French Classic Programme (Ages 9-17)

€3,950 PER TWO-WEEK SESSION

You'll receive 44 hours of structured French instruction over two weeks, taught by qualified teachers who specialise in teaching French to international students. Spend your afternoons with activities like cooking, horseback riding, arts and crafts, swimming, and dancing. It's the perfect way to discover French culture whilst having fun and taking your language skills to another level of mastery.

Elite Sports Programme (Ages 12-17)

€4,850 PER TWO-WEEK SESSION

You'll enjoy intensive training in one activity: golf, tennis, padel, or electric Go-Karting, combined with a lighter touch of French language learning. Our professional-standard campus facilities include five tennis courts, a golf range and chipping green, a swimming pool, and Europe's only summer camp electric Go-Kart track. Summer campers also have access to a nearby golf course, private aviation program, and equestrian centre (additional fees apply).

Special Programmes

Each summer, École des Roches offers special theme-based programmes, including the Science Camp, combining exciting, fun science exploration with the full range of activities offered in our Classic Programme.
