The background of the entire page is a photograph of an indoor rock climbing wall. The wall is white with numerous colorful climbing holds (yellow, red, blue, green, and grey). Two children are actively climbing: a boy on the left in a black t-shirt and white shorts, and a girl on the right in a white t-shirt and denim shorts. Both are wearing safety harnesses and connected to ropes. At the bottom of the frame, the backs of two other children are visible as they watch the climbers. The overall scene is brightly lit and captures an active moment in a summer camp setting.
